🐙 github.com/srajan-kumar1 | 🔗 linkedin.com/in/srajan-kumar

Profile

Artificial Intelligence and Machine Learning undergraduate with hands-on experience in machine learning, computer vision, and full-stack development. Skilled in building practical software solutions using Python and modern web technologies, with strong analytical thinking and problem-solving abilities. Passionate about developing secure and scalable intelligent systems for real-world applications.

Technical Skills

Programming: C, Java, Python

Libraries: Pandas, NumPy, Matplotlib, OpenCV

Web: HTML, CSS, JavaScript

Databases: SQL, MongoDB

Tools: Git, Jupyter Notebook, VS Code, IntelliJ IDEA

Education

B.M.S. College of Engineering, Bangalore

2024 – 2028

B.E. in Artificial Intelligence and Machine Learning

CGPA: **9.19/10**

12th – JIPUC Kundapura

95.33%

10th – St. Thomas HPS Byndoor

93.20%

Projects

Music Player Web Application

HTML, CSS, JavaScript

- Developed a responsive web-based music player enabling play, pause, track navigation, and real-time progress tracking.
- Implemented dynamic audio playback using JavaScript DOM manipulation and Audio APIs to enhance interactivity.
- Designed an intuitive user interface following responsive design principles for improved usability.

Pencil Sketch Converter

Python, OpenCV

- Built an image processing application converting photographs into realistic pencil sketches using OpenCV.
- Applied grayscale transformation, image inversion, Gaussian blur, and pixel-wise division techniques.
- Demonstrated practical understanding of computer vision and digital image processing workflows.

Relevant Coursework

Data Structures and Algorithms, Object-Oriented Programming, Database Management Systems, Computer Organization, Machine Learning Fundamentals.

Achievements

- Solved **150+** **Data Structures and Algorithms problems** on LeetCode.
- Maintained academic excellence with CGPA of **9.19**.

Interests

Machine Learning, Computer Vision, Secure Systems, Competitive Programming, Full-Stack Development.
